

Howdy Ms. Dickson's Class!

We go to St. John's Episcopal School in Dallas, Texas. We have about 500 children in our school. Our school has PreK-8th grade. We have 14 children in our class. There are 6 girls and 8 boys. We study a lot of different subjects at school like Math, Science, Reading, Spelling, and Writing. Each day we go to one enrichment. We go to Art, Spanish, and Music. We also have a huge library in our school! We get to check out 2 books each Thursday! Every day we go to chapel, P.E., recess, and lunch. This year we got a rock-climbing wall in our gym! It is

super fun! We have math, spelling, and reading homework each night. Each child in our school has an iPad to use during the school day. Some of our favorite things to do on the iPads are Math Bingo, Reflex Math, Epic! Reading, and Math Quiz Gameshow!

This Friday, we are having a Guacamole Party! We are inviting our parents to come, and it will be so fun! After the party, we will collect the pits to plant and grow avocado plants in our classroom!

This is a picture of our school
Our school is big and awesome and
it has a creek running in front of it.
There are lots animals near our
creek. This week we even saw a

snake! There are many trees on our campus, and we have a huge soccer field, a gaga pit, swings, slides, monkey bars and a basketball court. Our school was started in 1953.

Dallas is a big city in Texas. 1.26 million people live in Dallas. Our city is HOT in the summer and cool in the winter. It almost never snows in Dallas, but we do get a few inches of snow about once a year in January or February! Even though it is just a few inches, we get really excited about it here in Texas and we usually have a no school “snow day” even when it barely snows!

Dallas has lots of fun things to see and do. Some of our favorite spots are:

Reunion Tower
(the ball shaped building)

White Rock Lake

The Dallas Arboretum in the Fall

The Dallas Zoo

Six Flags Over Texas

The State Fair of Texas

The State Fair of Texas happens each fall in Dallas. Every child in our school gets a free ticket! We love to go to the fair to eat delicious foods like corney dogs and see Big Tex. Big Tex is famous for saying “Howdy folks and welcome to the State Fair of Texas”! We also love to play games and ride rides at the fair.

Texans are big sports fans! The students in our class do many different sports such as soccer, flag football, softball, baseball, volleyball, tackle football, golf, tennis,

swimming, basketball, kickball, rugby and lacrosse.

Our football team is the Dallas Cowboys, our basketball team is the Mavericks, our soccer team is F.C. Dallas, our baseball team is the Texas Rangers, and our hockey team is the Dallas Stars. We love to cheer on our city's teams!

Dallas Sports Teams

We hope you enjoyed learning about our class, school, city and state! We can't wait to learn about where you live in Canada! We look forward to meeting you all very soon!

Your Texan Buddies,

Axel, Cade, Chase, Cohen Grace,
Emma, Jack, John, Julia, Lila, Logan,
Milo, Peyton, Sophia, Sydney, and
Miss Specht
