*Play a board game or card game with your family this week. (Crazy 8's, Go Fish, 10 Up, etc.)

You and your World-

Two weeks ago you visited Scholastic Learn at Home and watched some stories about Frogs and tadpoles growing and changing. This week we will continue learning about how animals grow and change. Visit:

<https://classroommagazines.scholastic.com/support/learnathome/grades-1-2-week-3.html> go to: Day 11 Animal Science-

Read the Story: A Bear Cub Grows Up. Watch the video: A Bear Cub Check Up. Just like a bear cub, you have grown and changed from birth until now. Talk with your family about what you were like as a baby and toddler. When did you begin to walk? Talk? What did you like/dislike? Now, choose 3 pictures to complete your timeline (birth/age 2/now). Take a picture of your timeline and send it to me for our display "See How I Have Grown". Write a story about how you have grown and changed. You can use the following sentence starters: When I was a baby I could.... When I was 2 I could....Now that I am ___ I can.....

5 SENSES- Sense of taste. This video will help you understand how this sense works: <https://www.youtube.com/watch?v=C4rdqXXzPGU> What did you learn? What do you love the taste of? Not like so much? Do the "Taste Test" (attached below)

Keep up the great work K-1! Play and explore outside each day!! Try the Nature Ninja and STEAM activities for this week. So much fun!!! Be safe and have fun!!! Send pictures of you learning and having fun to my email: Chantal.poole@nbed.nb.ca Please keep in touch. I love hearing from you!
