

Memo
To: Grade 2 Parents
Fr: Ms. Sullivan
Date: September 8, 2021

Here are a few things to make note of:

Covid-19 Protocols

- Students are asked to bring 2 clean masks with them each day.
- One they will use during the day and an extra one in case it needs to be changed.
- Masks need to be worn on the bus and anytime they leave the classroom. They do not need to be worn in the classroom or outside.

Homework/ Reading Programs

- These programs will begin next week. There will be a memo going home outlining both of these programs next week.

Yellow Folders

- The students have a yellow folder with the sides labeled "Leave Home" and "Bring Back".
- I will be using these to send home memos, permission slips and notices. Please return the folder each day along with any sheets that need to be signed. I would ask that you use the folder as well to send any information to me that you need to.
- There are several memos going home this week along with information sheets that need to be filled out and returned. Please make sure you read both sides of the sheets.

Agendas

- Each student will receive an agenda. These are used on a regular basis by the students and teacher.
- I will be including information for the week on one side and the students will write their homework on the other side. (Starting next week for homework.)
- Please check these each day and initial or sign them, so I know that you have received the information.
- In the front of the agenda is the school calendar along with lots of information about our school programs and school policies. Please take the time to read this important information.

Phys.Ed

- The students have Phys. Ed on Tuesday, Wednesday, and Friday with Mrs. Dickson.
- As the students do get warm during the class, you may want to wear a T-shirt under the sweater or shirt they are wearing.
- They also need their indoor sneakers for these days.

Water Bottles

- The students are asked to bring a water bottle to have in the classroom, as they are not able to drink from the fountains because of Covid protocols. They will be able to fill them up from the fountains during the day when needed.
- We will send the bottles home on Fridays so that they can be washed unless you would rather have them brought home each day.

Library

- Our Library Day will be on Thursdays beginning next week.
- Students will be able to sign out one book each week to take home. Books are due back on Thursday.
- Students need to return the book they borrowed, before they can sign out another one.

School Student/Agenda Fees

- A reminder that the agenda and student fee for K-2 students is \$10.00 with a maximum of \$ 40.00/family. (K-8)
- Please send this in when you can if you have not already done so.

School Website

- Our school website will keep you updated as to what is happening at Nelson Rural, so please check it out. <http://nelsonrural.nbed.nb.ca/> . When you are there, be sure to check out the teacher page for our class (Ms. Sullivan) to find out what is happening. The page will be updated weekly.

Thank you for your assistance with these items. If you have any questions or concerns throughout the year, please feel free to call me at the school (627-4074) or send a note in the agenda or folder.

We had a great first day and I am looking forward to a wonderful and fun year with your children!
