

Memo

TO: Parents/Guardians
RE: Reading/ Homework Program
FROM: Ms. Sullivan - Grade 2
DATE: September 16, 2024

Today we will be starting our Reading/Homework Program. Each night your child will have a book that they will read to someone at home. We would ask that the reading log be filled out each night; name of the book, date, students print their name, and parent initial.

- We will send 4 books home on Monday, or the first school day of the week.
- They can choose what book to read each night and it is okay to read the same book more than once.
- The students are asked to read each night; Monday – Thursday.
- **Please return the reading books in the bag on Fridays, or the last school day of the week,** so they can be changed for the next week.

For the first couple of weeks your children will send an easier level. This is so your child can ease back into the program and feel confident with what they are reading. (As well students sometimes do fall back if they have not kept up with their reading.)

Homework will be listed for the week on the sheet in the homework books and the word will be behind the weekly sheet. The students will also write it down in the agendas. **Parents, please sign or initial the agenda each night so we will know that the information has been received.** For the first few weeks the students will have sight words and their book to read only. After that we will start adding some spelling words.

We will be starting back with the first level words. Once your child knows all words on both sides of the sheet, sign it and send back in their orange homework folder, so we can send the next word list.

Homework and Borrow-A-Books are only sent home Monday – Thursday. Agendas will be sent home on the weekend, so you are aware of any events or information for the upcoming week.

Thank you for your assistance with our Homework Program.
