

**Grade 4 - Mrs. Tozer: Home Learning Week #1**  
**April 6th-9th**

Reading		Writing	
(20 minutes)		(20 minutes)	
<p>This week you may spend 20 minutes reading a chapter book you have at home or sign into the Scholastic website. They are offering free access to books during this time.</p> <p><a href="http://www.scholastic.ca">www.scholastic.ca</a></p>		<p>1) Write me a letter explaining how you feel about being unable to go to school – tell me what kinds of things you are doing and how you are feeling about this time at home – you may do this in cursive writing if you like</p> <p>2) Share your piece of writing with your parents and if you like, you may e-mail it to me at my school email</p>	
Numeracy			
(20 minutes)			
High-tech		No-tech	
<p><b><u>DREAMBOX:</u></b>            See the letter for parents on our page. Here is the link you will need to sign on:</p> <p><a href="https://play.dreambox.com/login/knjs/8s78">https://play.dreambox.com/login/knjs/8s78</a></p> <p>Use the code you were using at school and at home to sign in. If you have problems, email me and I will do my best to help you.</p> <p>Try your best to spend 20 minutes practicing your Math skills.</p>		<p><i>These fun activities can be done with your family:</i></p> <ul style="list-style-type: none"> <li>• <b>Card Games:</b> War, Crazy 8s, Go Fish, Uno, Rummy, Crib, addition and multiplication games using the cards from a regular deck of cards</li> <li>• <b>Board Games:</b> Monopoly, Checkers, Chess, Yahtzee, Snakes and Ladders etc.</li> <li>• <b>Cooking:</b> Find a new recipe. Practise working on fractions as you make the recipe.</li> <li>• <b>Data Analysis:</b> Make simple graphs representing data (daily weather temperature, cost of gasoline, etc.)</li> <li>• <b>Estimation:</b> Estimate the cost of your grocery bill, time it takes to do a task, measures of lengths and distances</li> <li>• <b>Telling time:</b> Practice using digital and analog clocks.</li> </ul>
