

Here are some Home learning activities students can work on this week!

1. **Sound of the week: "V"** - Students can listen to the sound of the week and trace a V with their arm and make the sound.
<https://www.youtube.com/watch?v=wo4HixNsLRw>
2. **Sight Words:** Students can create the new sight words with playdough, magnetic letters or draw them out with chalk outside!
 - **Voici-** Voici ma maison!
 - **Vais-** Je vais au cinema
 - **Vois-** Je vois des fleurs.
 - **Va-** Ça va bien aller.
 - **Viens-** Je viens aussi!
3. **Earth Day Crafts:** Students can make an Earth Day craft out of recycled materials, such as an egg carton tree, stone painting, Tin can plants, or using the Earth template to colour, tear up green and blue paper to add to it, or using it for paper maché.

5. **Math:** Work on DreamBox Math and try to complete the classroom calendar goal! Also for no tech options, students can play card games, skip count by 2, 5 and 10s by using fruit or vegetables!

Week 3- Semaine 3 Grade 1FI Home Learning Mat

3 in a Row Choice Board

Read French books for 20 minutes on "Je lis, je lis" website and draw a picture of your favorite book.	Watch the Earth day songs on my teacher page, create your own song and record it! Share it with others and/or email it to your teacher!	Log-in to the Dream Box Math site and work on activities for 20 minutes and work on the calendar goal!
Go for a walk and pick up litter with your family in your community for Earth day!	<u>Create an earth day craft!</u> Choose one on the teacher page, or make your own with recycled materials!	Write your own story with words from the sound of the week "V" and include the new weekly sight words!
Create your own Time Capsule with your family! Choose the pages you would like to fill out and either bury it or hide it in a safe place for a keepsake!	Play a word work activity on Boom Cards! There is a new Earth day and Spring Card set on the website: https://wow.boomlearning.com/deckLibrary	Play an activity on the Polygone website: https://www.jeuxpolygone.com/

Read 15-20 minutes and play outside daily!
