

## Home Learning Week 9- June 1<sup>st</sup> - June 5<sup>th</sup>- Have Fun!

**Literacy:** Read and/or be read to each day. Visit Raz Kids <sup>4</sup> to practice your skills.

\*Practice your **sight words** with the **Read For Speed** Activity- This is a separate attachment below.

**\*\*Story time-**With permission and help, make a big pillow bed on the floor, choose your favourite story book(s) snuggle with your family and enjoy story time. Don't forget to bring your favourite stuffy!!

\*Our animal friend for Xx is Xavier Fox. The letter x in the word fox says the letter sounds "c\k and s". Ox, fax, fix, all have the letter x sound at the end of the word. Can you think of 3 words that end with the letter x? Draw a picture of each item and sound out the word. Visit Starfall for the letter x <https://www.starfall.com/h/abcs/letter-x/>

While you are on Starfall read the story about Mox's Shop <https://www.starfall.com/h/ltr-sv-o/moxs-shop/?sn=ltr-classic>

**\*\*Check out this video on foxes.** <https://www.youtube.com/watch?v=GBMDbldWx-c>. Tell someone 3 things you learned about the fox. Write a story about what you learned and draw a picture. Have you ever seen a fox?

**\*Writing Activity:** Extra! Extra! Read all about my class. Tell me all about you, who you are, your age, your family, your friends, favourite food, story, tv show, movie, song, colour, favourite thing to do in Kindergarten, likes and dislikes. Use the writing prompts to help you get started.

I am? I love to.... I go to ....In my family..... My favourite food.....movie.....colour is ? At school I love to ? I play with my? I love ... but I don't like? I can't wait to read all about you!!!!

I can't wait to read more about you.

**Math:** Practice **counting** forwards and backwards from different starting points between 0-10/10-0 (K)

What makes 10? Listen to Jack Hartman's song, "I can say my number pairs of 10 -

"<https://www.youtube.com/watch?v=ch7KzI3n2Zk>

\*Visit DREAMBOX throughout the week to practice your skills. You may want to try: IXL Math for a change.

**Play 10 Up card game** -Similar to 7Up but, use 10 cards. **Rules for 10 Up- 2-4 for players.** The dealer deals each player 10 cards face down, 5 in each row to look like a 10 frame. Put the remaining cards in a face down pile in center. Players take turns flipping one of their 10 cards, if the card is an ace to 10 of any suit, keep the card and put them in order (Ace is one, to 10). If the card is not a number 1-10 then flip it over face up. If you turn a card 1-10 and you already have one of those numbers then discard the card. Players keep picking cards until a player flips all of their 10 cards.

Try the **Make 10 Scavenger Hunt**- see attached

**You and your World-** "See How I Have Grown" timeline- We love this unit, because you get to share with us what you were like as a baby, compared to what you are like today. It's family time, so everyone gather around, get out the photo albums and share your stories of what your child was like as a baby, toddler and a big Kindergarten Kid. As you explore your pictures note how you have changed over the years? What were your likes? Dislikes? Did you have a favourite blanket, stuffy, toy? Did you like to be rocked to sleep? Would you only eat certain foods? Do you still like these foods? Now choose 3 pictures from birth, age 2 and today and add them to your timeline. Write what you were like or doing in each picture at that age. Take a picture of your timeline and send it to me for our display "See How I Have Grown". Have a lot of fun learning about YOU!! Write a story about how you have grown and changed. You can use the following sentence starters: When I was a baby I could.... When I was 2 I could....Now that I am \_\_\_ I can.....

**\*\*\*A copy of the Timeline is attached \*\*\*\***

**5 SENSES-** Sense of taste. Our tongue is a muscle. It has taste buds that help us decide if foods are salty, sweet, bitter, sour or spicy. This video will help you understand how this sense works:

<https://www.youtube.com/watch?v=C4rdqXXzPGU> What did you learn? How does our sense of smell effect our sense of taste? What foods do you love to taste? Don't like the taste of?

Try the **Taste Test**-see activity on the class page

**Keep up the great work Kinders! You are doing Awesome!!**

Play and explore outside each day!! Try the Nature Ninja and STEAM activities for this week. So much fun!!!

Be safe and have fun!!! Send pictures of you learning and having fun to my email: [Joan.Sullivan-Goguen@nbed.nb.ca](mailto:Joan.Sullivan-Goguen@nbed.nb.ca)  
**Please keep in touch and send pictures. I love hearing from you!**
