Father's Day is Sunday, June 21st. Please take time to make that special person in your life a card or write a nice note. Think of all the fun things you love to do with Dad, Grandfather, Uncle and write him a note to say thanks. Draw a picture to go with the card. Add lots of colours and make a decorative border drawing things Dad likes, such as, fish, baseball, coffee, stars, happy face, cars etc.

To create a really cute gift for Dad. Go outside and choose a nice flat rock. Paint the rock and once it dries use a permanent marker to print the words "Dad You Rock!!" on one side and you sign the other side.

Have fun with your last week of learning. Try to do as many of the activities you can.

Play and explore outside each day!! Try the Nature Ninja and STEAM activities for this week.

I love hearing from you!

As school comes to a close I want to wish all of my Kinders a safe and fun summer break.

I have truly enjoyed being your teacher and while our year was unexpectedly cut short, I hope you had fun and will cherish many wonderful memories of your first year at Nelson Rural School. 2020 will be a year we won't forget!! Take care, big hugs!
