

Home Learning for K-1 June 8-12

Literacy: K-1 Read and/or be read to each day. Visit Raz Kids to practice your skills.

***K-1** Visit <https://www.storylineonline.net/> and choose a story. After listening to the story draw a picture to show what happened at the beginning, middle and end of the story. What was your favourite part?

***K-1** Practice your **sight words**

***Grade 1:** Review "vowel teams" with this link: <https://www.youtube.com/watch?v=7fb3Pdt8kxg>

***Kindergarten:** Our animal friend for **Yy** is Yancy yak and **Zz** is Zeke the zebra. Can you think of 3 words that begin with the sounds Yy and Zz. Draw a picture to go with your words. Visit **Starfall** to check out these letters. Click these links to learn more about Zebras. <https://www.youtube.com/watch?v=WUe7EU0FwSs> & <https://www.youtube.com/watch?v=iW6UBUdx1ew> Draw and write about some interesting facts you've learned.

***K-1-Writing Activity:** Write about what you enjoyed most about this school year. Begin your story with a good sentence, write at least 3 supporting details, and end with a good "wrap up" sentence. Be sure to begin each sentence with a capital letter and include punctuation marks at the end of each sentence. Draw a picture to go with your story.

Math: *Visit **DREAMBOX** and **IXL Math** throughout the week.

*This week we will continue to work on making 10. Watch our bowling video. We throw 3 balls in total and write the new number sentence for 10 each time. Now you give it a try. How many ways can you make 10? There are 2 separate attachments (created by other teachers) that you can print to record your number sentences- one for K and one for Gr. 1. **OR** you can record your bowling just like we did in the videos.

*Watch-Jack Hartman: Count to 100 everyday- <https://www.youtube.com/watch?v=0TgLf3PMOc&t=9s> & I can say my **number pairs for 10**-https://www.youtube.com/watch?v=ch7KzI3n2Zk&list=RDch7KzI3n2Zk&start_radio=1

***Grade 1:** Count by 2's, 5's and 10's to 100

*Practice your **doubles facts** to 20 using this link: <https://www.youtube.com/watch?v=NUprfk7UWNA>

*Practice "Doubles PLUS 1!" Use your doubles facts to help you. For example: $3+4=$ $3+3=6+1$ or $5+6=5+5=10+1$

*Play a board game or card game with your family this week. (Crazy 8's, Go Fish, 10 Up, etc.)

Father's Day: Father's Day is June 21. Please take time to make that special person in your life a card or write a note to express all that you love and appreciate about them. To create a really cute gift for dad (Poppy, Grandpa, uncle...) all you need to do is choose a nice flat rock from outside. Paint it. Once dry, write these words on it: Dad, You Rock! Don't forget to sign it: Love, _____

You And Your World: Brainpopjr: Username: **Poolechak1**

Summer will soon be here. Watch this video to learn more about this season:

<https://jr.brainpop.com/science/weather/summer/> Learn about

plants: <https://jr.brainpop.com/science/plants/plantlifecycle/>

There are also many other videos that would be fun to check out such as: mindfulness, empathy, friends and so on. Have fun exploring this site.

Great work K-1! I hope you continue to play and explore outside each day!! Remember to wear your sun screen! Be safe and have fun this summer!!! Send pictures of you learning and having fun to my email:

Chantal.poole@nbed.nb.ca Please keep in touch throughout the summer. I would love to love hear from you!

Hugs, Mrs. Poole
