

INSTRUCTIONS FOR TEACHERS

How to get students enrolled in a Breakout EDU class.

Once a class is created by a teacher, a unique class code is generated. To get students enrolled into a class, teachers must provide the appropriate six digit Class Code for the class.

List of Classes			Student Sign Up Instructions	+ Create Class
Class Name	Code	Actions		
First Period Science	ABC123	Submitted Games	Manage Assigned Games	Manage Game Library
		Shuffle Code	Edit	Archive Class
		Delete		
Second Period Science	ABC123	Submitted Games	Manage Assigned Games	Manage Game Library
		Shuffle Code	Edit	Archive Class
		Delete		
Third Period Science	ABC123	Submitted Games	Manage Assigned Games	Manage Game Library
		Shuffle Code	Edit	Archive Class
		Delete		

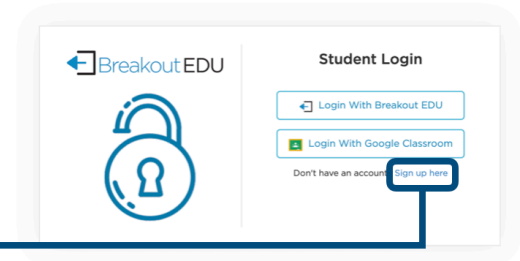

Display this code to students to enroll.
