

Grade 6H and 6Y Learning at Home with Mr. B – May 26 to 31

Hello Grade 6s,

I am only referring to one new PDF document this week called Conclusion Examples.

Continue on completing:

1. Your Book Promo (See explanation under the PDF below) Due June 1
2. Mini-Argument Essay (See PDF Argument explanation below) Due June 1, but if you need more time email Mr. Bosma. No worries.
3. **Reading each day**

Remember to keep reading, (web links on my page have free e book downloads) jotting down notes for your **book promo now due June 1**(see explanation and an example Mr. Bosma posted here and on teams). Do what you can, email and ask questions through teams or set up a meeting time with me on Teams for explanation if needed. **I can also video chat on Teams and share my screen from my lap top to better explain each lesson.**

***** Remember when revising/editing to use STAR – Substitute better words, Take out what is not needed, Add words, sentences, or punctuation, Rearrange your writing.***

Please focus on your organizer, intro, and middle paragraphs and then conclusion of your mini-essay argument and your Book Promo.

Take care,

Mr. Bosma
