

## Week 6 Home Learning !

1. Sound of the week: “ f (ph)”- Students can listen to the sound of the week and sing along! The action is to make your hand in the form of a claw.

- <https://www.youtube.com/watch?v=FqyszlWY0o>

2. Sight Words: Students can create the new sight words with playdough, magnetic letters or draw them out with chalk outside!

Included is a new PowerPoint attachment as well that students can read different sight words in sentences. Students can try to find this week's words as well! They just have to click on the play button on each slide to hear the sentence.

- **fille**
- **frère**
- **entre**
- **chaque**
- **auto**

3. Reading & Writing: Students can continue reading books on “Je lis”, however I signed the class up to RAZKids website as well. This website has all levelled books in French & English! I already assigned some books for them to read that focus on opposites and family. If you want to sign in to it, just go to the following website: <https://www.kidsa-z.com/main/Login?timeout=true>

- Click on your name and type “Nelson” for password.
- Once logged in, students can change the password to a picture icon.

4. Math: Students can practice counting forwards and backwards from 1-100 in French and start at any given number, for example start at 32 and count to 100. Students can also skip count by 5 & 10 to 100.

- Count to 100: <https://primarygames.co.uk/pg2/splat/splatsq100.html>
- Measurement: Students can watch this video on measurement and then try to create houses for their stuffed animals out of boxes and create a community for their animals! Which animal has the tallest door and can fit the other stuffed animals?

<http://peepandthebigwideworld.com/en/kids/pathways/5/numbers-and-measuring/videos/43/using-a-measuring-stick/>

5. You and Your World: I am attaching a document that talks all about community and essential workers. Students can choose to do one of the activities provided! I also attached a reading book on communities that they can read!

Have fun! Mme Hitchman

### Week 6- Semaine 6 Grade 1FI

#### 3 in a Row Choice Board

Work on the lessons on Dreambox Math and try to complete one of the assigned lessons!	Practice your sound of the week and sing with the song on youtube! <a href="https://www.youtube.com/watch?v=FqysIzIWY0o">https://www.youtube.com/watch?v=FqysIzIWY0o</a>	Watch a cartoon in French on Zone des petits: <a href="https://ici.radio-canada.ca/jeunesse/prescolaire/jeux">https://ici.radio-canada.ca/jeunesse/prescolaire/jeux</a>
Draw a picture of spring for an essential worker. Use the colors of the rainbow to make it colorful.	Play one of these addition or subtraction math games! <a href="https://www.mathplayground.com/grade_1_games.html">https://www.mathplayground.com/grade_1_games.html</a>	Read the attached book "Que font les gens de la communauté ? » and draw a different community member and write a sentence of what they do.
Read a book from one of the websites listed or a French book from class that you still have home!	<u>Art/Math</u> : Create homes for your stuffed animals using boxes and create a community of homes! Colour and design the houses with patterns, and measure the doors for each animal to fit in their home! Watch video: <a href="http://peepandthebigwideworld.com/en/kids/pathways/5/numbers-and-measuring/videos/43/using-a-measuring-stick/">http://peepandthebigwideworld.com/en/kids/pathways/5/numbers-and-measuring/videos/43/using-a-measuring-stick/</a>	FaceTime or video chat with someone you know and try to speak French to them or ask them questions in French!

**Read 15 minutes and play outside daily!**
