## Walk for Wenjack / Secret Path Week

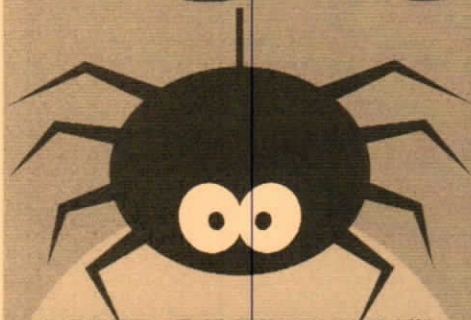

As part of our journey towards reconciliation, during the month of October, our students will be educated about the history of Indigenous people in Canada, including the history of residential schools. October 17-22<sup>nd</sup> marks Secret Path Week in which classes will Walk for Wenjack . This year, our school community has set a goal to walk 69 km, which would be the age Chanie Wenjack would have been in 2023. That means each class has a goal to walk about 4km during this week (or the month of October). To support our reconciliation initiative, donations will be accepted throughout the month via your home-room teacher, or online using the links on our Nelson Rural School Information Facebook page, or the Nelson Rural School website.
